As far as personal data (e.g. name, address or e-mail address) is collected on our website, this is always done on a voluntary basis as far as possible. This data will not be passed on to third parties without express consent. We would like to point out that data transmission on the Internet (e.g. communication by e-mail) can have security gaps. A complete protection of data against access by third parties is not possible. The use by third parties of contact data published within the framework of the imprint obligation for the purpose of sending advertising and information material not expressly requested is hereby expressly prohibited. The operators of the pages expressly reserve the right to take legal action in the event of the unsolicited sending of advertising information, for example through spam mails.

Responsible party is the natural or legal person who, alone or jointly with others, decides on the purposes and means of processing personal data (e.g. names, e-mail addresses, etc.).

Revocation of your consent to data processing

Many data processing operations are only possible with your express consent. You can revoke any consent already given at any time. For this purpose, an informal notification by e-mail to us is sufficient. The legality of the data processing carried out up to the time of revocation remains unaffected by the revocation.

Right to object to data collection in special cases and to direct advertising (Art. 21 DSGVO)

IF THE DATA PROCESSING IS CARRIED OUT ON THE BASIS OF ART. 6 ABS. 1 LIT. E OR F DSGVO, YOU SHALL HAVE THE RIGHT TO OBJECT TO THE PROCESSING OF YOUR PERSONAL DATA AT ANY TIME FOR REASONS ARISING FROM YOUR SPECIFIC SITUATION, INCLUDING PROFILING BASED ON THESE PROVISIONS. If you request the direct transfer of the data to another responsible party, this will only take place to the extent that it is technically feasible.

SSL or TLS encryption

This site uses SSL or TLS encryption for security reasons and to protect the transmission of confidential content, such as orders or inquiries that you send to us as site operator. You can recognise an encrypted connection by the fact that the address line of the browser changes from "http://" to "https://" and by the lock symbol in your browser line.

If the SSL or TLS encryption is activated, the data that you transmit to us cannot be read by third parties.

Information, deletion and correction

Within the framework of the applicable legal provisions, you have the right to obtain information free of charge at any time about your stored personal data, its origin and recipients and the purpose of the data processing and, if applicable, a right to correct or delete this data. For this purpose, as well as for further questions regarding personal data, you can contact us at any time at the address given in the imprint.

Right to limitation of processing

You have the right to request the restriction of the processing of your personal data. To do so, you can contact us at any time at the address given in the imprint. The right to restrict processing exists in the following cases:

If you dispute the correctness of your personal data stored with us, we usually need time to check this. For the duration of the audit, you have the right to request the restriction of the processing of your personal data.

If the processing of your personal data was/is carried out unlawfully, you have the right to request the restriction of the processing instead of deletion.

If we no longer need your personal data, but you do need it to exercise, defend or assert legal claims, you have the right to demand restriction of the processing of your personal data instead of deletion.

If you have lodged an objection in accordance with Art. 21 para. 1 DSGVO, a balance must be struck between your interests and ours. As long as it is not yet clear whose interests outweigh the interests of the parties concerned, you have the right to demand that the processing of your personal data be restricted.

If you have restricted the processing of your personal data, these data - apart from their storage - may only be processed with your consent or for the purpose of asserting, exercising or defending legal claims or protecting the rights of another natural or legal person or for reasons of an important public interest of the European Union or a Member State.

Data collection on this website

Cookies

Our Internet pages use so-called "cookies". Cookies are small text files and do not cause any damage on your end device. They are either stored temporarily for the duration of a session (session cookies) or permanently (permanent cookies) on your end device. Session cookies are automatically deleted at the end of your visit. Permanent cookies remain stored on your terminal device until you delete them yourself or until your web browser automatically resolves them.

In some cases, cookies from third-party companies may also be stored on your terminal device when you enter our site (third-party cookies). These enable us or you to use certain services of the third-party company (e.g. cookies for the processing of payment services).

Cookies have various functions. Many cookies are technically necessary because certain website functions would not work without them (e.g. the shopping basket function or the display of videos). Other cookies are used to evaluate user behaviour or display advertisements.

Cookies that are required to carry out the electronic communication process (necessary cookies) or to provide certain functions that you have requested (functional cookies, e.g. for the shopping basket function) or to optimise the website (e.g. cookies for measuring the web audience) are stored on the basis of Art. 6 para. 1 lit. f DSGVO, unless another legal basis is given. The website operator has a legitimate interest in the storage of cookies for the technically error-free and optimised provision of his services. If consent to the storage of cookies has been requested, the storage of the cookies in question will be carried out exclusively on the basis of this consent (Art. 6 para. 1 lit. a DSGVO); the consent can be revoked at any time.

You can set your browser so that you are informed about the setting of cookies and allow cookies only in individual cases, exclude the acceptance of cookies for specific cases or in general and activate the automatic deletion of cookies when closing the browser. If you deactivate cookies, the functionality of this website may be limited.

Insofar as cookies are used by third-party companies or for analysis purposes, we will inform you separately about this within the scope of this data protection declaration and, if necessary, request your consent.

Contact form

If you send us enquiries via the contact form, your details from the enquiry form, including the contact data you provide there, will be stored by us for the purpose of processing the enquiry and in the event of follow-up questions. We will not pass on this data without your consent.

This data is processed on the basis of Art. 6 para. 1 lit. b DSGVO, insofar as your enquiry is connected with the fulfilment of a contract or is necessary for the implementation of pre-contractual measures. In all other cases, the processing is based on our legitimate interest in the effective processing of the enquiries addressed to us (Art. 6 para. 1 lit. f DSGVO) or on your consent (Art. 6 para. 1 lit. a DSGVO), provided that the enquiry has been made.

The data entered by you in the contact form will remain with us until you request us to delete it, revoke your consent to its storage or the purpose for which it was stored ceases to apply (e.g. after your inquiry has been processed). Mandatory statutory provisions - in particular retention periods - remain unaffected.

Inquiry by e-mail, telephone or fax

If you contact us by e-mail, telephone or fax, your inquiry including all personal data (name, inquiry) will be stored and processed by us for the purpose of processing your request. We will not pass on this data without your consent.

This data is processed on the basis of Art. 6 para. 1 lit. b DSGVO, provided that your inquiry is related to the fulfilment of a contract or is necessary for the implementation of pre-contractual measures. In all other cases, the processing is based on our legitimate interest in the effective processing of the enquiries addressed to us (Art. 6 para. 1 lit. f DSGVO) or on your consent (Art. 6 para. 1 lit. a DSGVO), provided that the enquiry has been made.

The data sent to us by you via contact enquiries remains with us until you request us to delete it, revoke your consent to its storage or the purpose for which it was stored ceases to apply (e.g. after your enquiry has been processed). Mandatory statutory provisions - in particular statutory retention periods - remain unaffected.

Social media

Social media plugins with Shariff

This website uses plugins from social media (e.g. Facebook, Twitter, Instagram, Pinterest, XING, LinkedIn, Tumblr). You can usually recognize the plugins by the respective social

media logos. In order to guarantee data protection on this website, we only use these plugins in conjunction with the so-called "Shariff" solution. This application prevents the plugins integrated on this website from transmitting data to the respective provider as soon as you enter the site for the first time.

Only when you activate the respective plugin by clicking the corresponding button, a direct connection to the provider's server is established (consent). As soon as you activate the plugin, the respective provider receives the information that you have visited this website with your IP address. If you are simultaneously logged in to your respective social media account (e.g. Facebook), the respective provider can assign the visit to this website to your user account.

Activating the plugin constitutes consent within the meaning of Art. 6 para. 1 lit. a DSGVO. You can revoke this consent at any time with effect for the future.

Facebook

Our pages integrate plugins from the social network Facebook, provider Facebook Inc. 1 Hacker Way, Menlo Park, California 94025, USA. You can recognize the Facebook plugins by the Facebook logo or the "Like Button" ("Like") on our site. You can find an overview of the Facebook plugins here: <http://developers.facebook.com/docs/plugins>.

When you visit our pages, the plugin establishes a direct connection between your browser and the Facebook server. Facebook thereby receives the information that you have visited our site with your IP address.

If you click the Facebook "Like-Button" while you are logged in to your Facebook account, you can link the contents of our Pages on your Facebook profile. This allows Facebook to associate your visit to our Pages with your user account. We would like to point out that we, as the provider of the Pages, have no knowledge of the content of the transmitted data or its use by Facebook. You can find more information on this in the Facebook privacy policy at <http://de-de.facebook.com/policy.php>.

XING

Our website uses features of the XING network. The provider is XING AG, Dammtorstraße 29-32, 20354 Hamburg, Germany. Each time one of our pages containing Xing functions is called up, a connection to Xing servers is established. To the best of our knowledge, no personal data is stored. In particular, no IP addresses are stored or the usage behaviour is evaluated. Further information on data protection and the Xing Share button can be found in the Xing data protection declaration at: https://www.xing.com/app/share?op=data_protection

Newsletter

Newsletter data

If you would like to receive the newsletter offered on the website, we need an e-mail address from you as well as information that allows us to verify that you are the owner of the e-mail address provided and that you agree to receive the newsletter. Further data will not be

collected or only on a voluntary basis. We use these data exclusively for sending the requested information and do not pass them on to third parties.

The processing of the data entered in the newsletter registration form is based exclusively on your consent (Art. 6 para. 1 lit. a DSGVO). You can revoke your consent to the storage of your data, your e-mail address and its use for sending the newsletter at any time, for example by clicking on the "unsubscribe" link in the newsletter. The legality of the data processing operations already carried out remains unaffected by the revocation.

The data you have provided us with for the purpose of subscribing to the newsletter will be stored by us or the newsletter service provider until you unsubscribe from the newsletter and deleted from the newsletter distribution list after you have cancelled your subscription. Data that has been stored by us for other purposes remains unaffected by this.

After you have been removed from the newsletter distribution list, your e-mail address may be stored by us or the newsletter service provider in a blacklist to prevent future mailings. The data from the blacklist will only be used for this purpose and will not be merged with other data.

This serves both your interest and our interest in compliance with the legal requirements when sending newsletters (legitimate interest in the sense of Art. 6 para. 1 lit. f DSGVO). The storage in the blacklist is not limited in time. You can object to the storage if your interests outweigh our legitimate interest.

Plugins and tools

Google Web Fonts

This site uses so-called web fonts, which are provided by Google, for the uniform display of fonts. When you call up a page, your browser loads the required web fonts into its browser cache in order to display texts and fonts correctly.

To do this, the browser you are using must connect to Google's servers. This enables Google to know that this website has been accessed via your IP address. The use of Google Web Fonts is based on Art. 6 para. 1 lit. f DSGVO.

The website operator has a legitimate interest in the uniform display of the font on his website. If a corresponding consent has been requested (e.g. consent to the storage of cookies), the processing is carried out exclusively on the basis of Art. 6 para. 1 lit. A DSGVO; the consent can be revoked at any time.

If your browser does not support web fonts, a standard font will be used by your computer. Further information on Google Web Fonts can be found at:

However, if IP anonymisation is activated on this website, Google's IP address will be shortened beforehand within member states of the European Union or in other signatory states to the Agreement on the European Economic Area.

Only in exceptional cases will the full IP address be transferred to a Google server in the USA and shortened there. On behalf of the operator of this website, Google will use this information to evaluate the use of the website, to compile reports on the website activities and to provide further services to the website operator in connection with the use of the website and the internet. The IP address transmitted by your browser within the framework of Google Analytics is not combined with other data from Google.

The storage of cookies can be prevented by a corresponding setting in the browser software. However, we would like to point out that in this case you may not be able to use all functions of this website to their full extent.

You can also prevent the collection of data generated by the cookie and related to your use of the website (including your IP address) to Google and the processing of this data by Google by downloading and installing the browser plugin available at the following link:
